Application For Discharge

I hereby apply for discharge from the RAAF having purchased a sugar cane farm on the Richmond River NSW and desire to get home as soon as possible as the cane planting season is on now. I have a considerable amount of work to do in the way of preparing land for planting, also the working of young crop and backward year old cane, which has been frosted, partly because of the lack of manpower to work the crop and have it in a forward stage before the winter frosts.

I also intend to plant about two acres of bananas and have the plants on order now.

The land is also suitable for potato growing and tomato growing and I intend to grow these crops if given the opportunity.

I have money on loan from the Queensland National Bank (Wardell Branch) and so am liable to pay interest each year, that bank having financed me to pay the farm.

At present I am depending on my brother to look after my interests and do all the work on the farm and this is beyond his ability as he already has my father's farm to work.

I have been in the RAAF about two and a half years during which time I have been in North Queensland for about four months and about eighteen months in New Guinea and Islands.

Further information may be obtained from the President, NSW Cane Growers Association, Wardell, Richmond River, NSW .  
or The Manager, Queensland National Bank, Wardell Branch, Wardell, Richmond River, NSW.

I have made application through my local War Agricultural Committee.

P G Scroope.
